

STATE OF MONTANA

Governor's Proclamation

I hereby order all flags flown in the State of Montana to be flown at half-staff on Wednesday, September 11, 2019, in honor of all those who lost their lives on September 11, 2001 and in observance of Patriot Day and National Day of Service.

On the 18th anniversary of the 9/11 attacks, we are reminded of how much we lost, of the brave first responders and citizens who gave their lives to save others, and the men and women of the Armed Forces who continue to carry out the mission we asked of them. We owe an enormous debt to these Americans for ensuring the safety of our communities and upholding the freedoms and values of the United States. Today is not only about mourning, but a reminder of the promises we made to these heroes and a recommitment to make good on those promises.

Dated this 10th day of September 2019.
