Hannah Slusser
Governor's Office
PO Box 200801
Helena, MT 59620

Dear Hannah:

I would like to nominate John Mercer to the position of District Court Judge in Polson. We have known John his whole life and respect his opinions. He is a man of high integrity.

Please consider John for this position.

Thank you.

Sincerely,

Marcia Amrine

Mary and I fully support John Mercer for this open position. We have known him since he first graduated from law school and were close friends of his parents. He represented the seller of a business we purchased here in Polson and he dealt very fairly and professionally in this transaction. We know him to be a dedicated public servant with long experience at both the state and local levels. He is fair and honest and we know he would make a good judge and faithfully carry out his oath of office. Thanks, Frank & Mary Mutch Finley Point, Polson, MT

Subject: John Mercer

Good morning Ms. Slusser, Governor Gianforte, and Lt. Governor Juras,

I would like to recommend John Mercer to fill Judge Christopher's term as District Judge (Department 2) in Lake and Sanders County. As you can tell from his application, Mr. Mercer has the legal acumen to be able to quickly get up to speed and ensure that Department 2 runs smoothly. I very much look forward to working with him.

Sincerely,
Molly Owen
20th Judicial District Judge

I am extremely heartened that Polson attorney John Mercer has offered to return to public service via the Lake County judiciary. As a fifth-generation Montanan (from the Deer Lodge Valley), and a twenty year homeowner on Finley Point, and an attorney myself for decades, I can tell you that John is an exceptional person and a gifted attorney.

I wouldn't advise anyone to wander very deep into property law without the counsel of someone like John. And to clarify, I have personally so engaged his services as an attorney. As with the old Hemingway era expression of someone being a man's man, which he is, John is also a lawyer's lawyer. I trust that the Governor, and his staff, will recognize these qualities, and take him up on the offer to be of further service to those of us in Lake County. He would be an exceptional judge.

Thank you and best wishes.

Subject: [EXTERNAL] FW: Letter of Recommendation for John A. Mercer, Polson, MT. for District Judge
Date: Tuesday, April 9, 2024 4:02:00 PM

John Mercer in my opinion has an excellent demeanor, moral compass and legal expertise to serve citizens of Lake County as their District Judge. John Mercer is a partner in Turnage Mercer Wall, PLLP, Polson, Montana.

His professional biography is impressive: BA University of Montana; JD Northwestern University; Private Law Practice 1982 to Date; Speaker of the House, MT Legislature; Chair of MT Board of Regents; Distinguished Service Award from Montana Bar; Community Service Award, University of Montana.

John is a family man having retired from a successful political career to be at home and actively raise his four children. He is currently giving his time to serve on Polson School Board.

With forty-two years in private law practice, he knows Montana life and commerce issues. He knows criminal law as a defense lawyer and has served as a special prosecutor for the Polson Police Department.

In summary, his personal life, education, public service, civil and criminal experience provide a resume that few could equal across the great state of Montana. He is most worthy of appointment and will serve with distinction.

Subject: Support for Judge Applicant John A. Mercer, Twentieth Judicial District

I strongly support the selection of John A. Mercer to fill the vacancy in the Twentieth Judicial District. My family has sought the council of John over many years, and we have had estate documents created by him for two generations. We have placed complete trust in John's guidance and in the thoroughness and accuracy of documents created by him. John has proven through his career path over the years that his judgement is excellent, and his ability to work with people of varying views results in legal and political judgements reflecting fairness for those involved. The residents of Sanders and Lake Counties count on judges whose legal opinions are fair and consistent with our laws. John's long and varied professional career make him well suited for this very important position. We can count on him to adhere to and administer the law with fairness.

Subject: [EXTERNAL] A letter of support for the temporary appointment of John Mercer for District Judge, 20th Judicial District.
Date: Monday, April 15, 2024 1:11:25 PM

John Mercer has been a friend of my family for at least 40 years. He has also advised on wills, trusts, and other matters to members of my family from my grandfather, my mother, my stepfather. For my sister-in-law, Kathe A. Johnson, and I, he oversaw the probate of my father's estate, and recently advised me on the estate of my late husband. In all situations, John went beyond the expectations of all in my family. He is always highly organized, clear speaking and listens well. He is empathetic when it is appropriate. He will be a very efficient judge.

His record of public service and of holding offices is exceptional and is detailed in his application. Therefore, John, who has knowledge of diverse areas of Montana law, will be an effective judge.

There is a personal side to John Mercer's record that illustrates that he will bring dignity and clarity to the 20th Judicial Court. He has a clear record of upholding the law and is an example to his family. He is a devoted father to his four children as he left holding public offices to help raise them. This family orientation will serve the citizens well when it comes to the numerous child custody cases that come before the court in Lake County.

John is versatile. He is not a one note person but has a creative and artistic side. He has written two full-length, family-oriented plays (that I know of) performed by the Port Polson Playhouse. He has participated as an actor and singer, also encouraging and including family members to act at the Port Polson Playhouse. Being an example of a contributing citizen of the city and county shows how much he cares about the community.

One of the most notable examples of John's concern for the future of the community is as one of the founders of the Greater Polson Community Foundation (GPCF). He has been the Director since its' formation in 2008. Every year a variety of charitable organizations (the Mission Valley aquatics pool, Boys and Girls Clubs, the Miracle of America Museum, Helping Hands, Cheerful Heart, to name a few) benefit from the work of the GPCF. The Foundation has established a perpetual fund to continue to support and benefit Polson and Lake County, through John's and other founder's efforts.

For all these reasons, I heartily support appointing John Mercer as temporary District Judge of the 20th Judicial District.

Sincerely,

Kathryn L. Johnson

I am a Polson real estate Broker of several decades. Over the years, I have turned to John for various legal advice and more extensively needed Johns help with a large Estate, since 2021. I have come to know who John is, and I admire him for his aptitude, his vast legal understanding, expertise, and I like him for his professional decorum. I don't think there could be a more obvious candidate. The selfless commitment to step into the judicial gap speaks to his honor, and that is the best we can hope for.... an asset such as John, who assuredly will be an honorable Judge. I am certainly not alone, but want to say that support John Mercer wholly, and it is apparent he wholly supports our community, our state, and our legislature. Thank you for seeing him to the chair.

Good Morning,

I'm reading the front page of the Clark Fork Valley Press in Sanders County and I now live in Mineral County, so I'm quite a distance from where this process is taking place. But as an outsider who was in Missoula media at the time John Mercer was in the House, I can say that I do not remember meeting a more delightful politician with positive outlook. John was obvious in his love for civic duty and remained stoic when adversaries became ugly. He also was a helluva an addition to the Port Polson Players when I attended their performances, again when I lived a different life. If I could do anything to help with your decision as a resident of Montana, but not in your district, I'd like to say that my dealings with John Mercer have been 100% positive. He's one attorney that gives credence to the others that cast a dark cloud. It's reassuring to see that he is finally gray as I am!

April 12, 2024

Dear Governor Gianforte and Lt. Governor Juras:

I am writing in extremely strong support of former Speaker of the House John Mercer for the appointed position of District Judge in Lake and Sanders Counties. I make this unsolicited recommendation without reservation and without communicating with Speaker Mercer about this matter. I am truly excited about the prospect of such a high quality, highly qualified individual becoming a district judge.

John and I first met in 1990 while I was campaigning for a seat in the Montana House of Representatives. During the 1991 legislative session, I had the honor of sitting next to our Minority Leader Mercer, and we became good friends. John might not have even been 30 years old then, but he exhibited tremendous intellect and leadership skills that guided us through a very difficult session. The next session, John was voted Speaker of the House, and I again was honored to sit closely to him. That was the first of John's four times serving as Speaker before term limits brought his tenure to an end. Our friendship grew, and my admiration and respect for Speaker Mercer also grew as he guided not only our Caucus but also the entire House through another difficult session in 1993. Our Caucus was comprised of a wide range of perspectives, backgrounds, and viewpoints, but John was always able to hold us together while allowing each member to know that their concerns and opinions were valid and worthy of consideration.

We collaborated well during my time in the Senate, and I also had the privilege of serving with John on the Board of Regents of Higher Education, which he expertly chaired. We had a lot of fun reuniting, and once again his amazing intellect, quick wit, and leadership skills greatly impressed me.

I imagine the qualities you are looking for in a judge would include high intelligence, strong legal acumen, impressive experience as an attorney, solid leadership skills to run a courtroom, compassion, a keen knowledge of and respect for the U.S. and Montana Constitutions, great insight, and fairness. John scores extremely highly in each of those areas.

I will address only one of those traits – fairness. Before the start of the 1993 legislative session, the new Speaker explained his internal reforms to the Minority leaders, including workspace for Minority members besides their desks on the House Floor, a Minority vice-chair position for each House committee, and access for Minority members of all the House staff offices. Those reforms are taken for granted now, but they did not exist before John Mercer became Speaker. With the help of Chief Clerk Marilyn Miller, Speaker Mercer effectively and forever changed the culture of the House of Representatives. When asked why he implemented those changes, he simply responded, "Because I wanted the Minority to be treated the way I wanted to be treated when we were in their shoes." To me, that example defines fairness and well illustrates the type of district judge John will make.

Thank you for your consideration, and I look forward to addressing my friend as Judge Mercer.

Sincerely,

Mike Foster
Bozeman, Montana
