STATE OF MONTANA

Governor's Proclamation

WHEREAS, despite advances in medical technology and research, men continue to live an average of five years less than women, with Native American and African American men having the lowest life expectancy; and

WHEREAS, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will help reduce rates of mortality from disease; and

WHEREAS, men who are educated about the value that preventative health can play in prolonging their lifespan and role as productive family members will be more likely to participate in health screenings; and

WHEREAS, fathers who maintain a healthy lifestyle are role models and have happier, healthier children; and

WHEREAS, Men’s Health Network worked with Congress to develop a national men’s health awareness period as a special campaign to help educate men, boys, and their families about the importance of positive health attitudes and preventative health practices;

NOW, THEREFORE, I, Greg Gianforte, Governor of the State of Montana, do hereby proclaim June 2022

MEN’S HEALTH MONTH

in Montana to encourage Montana men to prioritize their health and lead a healthy life.
